

**SAFETY RECALL J044 / UPS7514: WARRANTY
CLAIMS SUBMISSION INFORMATION**

**SERVICE
ALERT**

28-OCT-14 | No.: JA14WA-05 | SECTION: WARRANTY | MARKET: CAN / USA

Please be advised that Safety Recall J044, *Engine Front Ancillary Fixings*, supersedes Update Prior to Sale UPS7514 with immediate effect.

Any vehicle which may have been repaired under UPS7514 but which has not had a Warranty claim submitted under Program Code K262 must now be claimed under Program Code J044.

Please see the following Service and Technical Bulletins for complete Safety Recall J044 information.

J044NAS1 - Safety Recall J044: Engine Front Ancillary Fixings (TOPIx)

7-091CAN - SAFETY RECALL J044: ENGINE FRONT ANCILLARY FIXINGS (JBN Product Support)

7-091USA - SAFETY RECALL J044 (NHTSA # 14V-673): ENGINE FRONT ANCILLARY FIXINGS
(JBN Product Support)

NOTE: Service Bulletins have been emailed to all retailers and will be posted to JBN Product Support shortly. The Technical Bulletin is 'live' on TOPIx.
