**IMPORTANT SAFETY RECALL #141117ARG**  
**THIS NOTICE APPLIES TO YOUR VEHICLE**  
Second Notice - April 2015

Dear Valued Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Allied Recreation Group, Inc. (ARG), on behalf of its manufacturing center located in Decatur, Indiana, has decided that a safety defect which relates to motor vehicle safety exists in certain model year 2014-2015 Fleetwood Excursion brand, and certain model year 2015 Holiday Rambler Ambassador brand, Class A motor homes.

**WHAT IS THE PROBLEM?**

On the motorhomes affected by this recall, a seat pedestal mounting support bracket, required for the installation of driver and passenger bucket-style seats, may not have been installed according to engineering specifications. In the event of a collision, an incorrectly installed seat pedestal could allow the seat to detach from the floor, thus failing to restrain its occupant, increasing the risk of injury or death.

**WHAT SHOULD YOU DO?**

Please make certain your motor home is immediately inspected and repaired by contacting an authorized ARG dealer.

**WHAT WILL ALLIED RECREATION GROUP DO?**

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, ARG dealers have been supplied with all of the information needed to enable them to inspect the driver and passenger bucket seat pedestal installation hardware, and if necessary, reinstall the seats using the proper components. The repair should take approximately two hours to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge. If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact Allied Recreation Group Owner Relations at (800) 509-3417.

When you deliver your motor home for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to Allied Recreation Group.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to Allied Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.
