**NHTSA RECALL #
INCORRECT GROSS AXEL WEIGHT RATING (GAWR) LABEL**

September 26, 2014

Dear Tiffin Motorhomes Customer,

The National Highway Traffic Safety Administration has given us permission to mail this notice to you without a safety recall number assigned to this recall. When NHTSA does assign a recall number to us, we will forward on another notice to you so that you will have the safety recall number for your records.

We regret any inconvenience this action may cause, but feel certain you understand our interest in motor vehicle safety.
