Representative Owner Notice Re-Notification**

Ms. Schuler,

This letter is to inform you that for the above subject matter campaign, DTNA sent owner re-notification letter to 1128 owners out of a total population 4606. This re-notification only affected a subset of the total population and occurred because some of the original owner notices for this recall may have been misdirected.

Please contact me if you have any questions.

Sincerely yours,

Andy Jones
