BABY JOGGER/VUE LITE INFANT CAR SEAT/9999

Mfr's Report Date: June 4, 2015

NHTSA Campaign Number: 15C-002

Components:
CHILD SEAT

Potential Number of Units Affected: 15,103

Problem Description:

Baby Jogger, LLC (Baby Jogger) is recalling certain City GO Infant Car Seats (models BJ64510 and BJ64529), City GO Base for infant car seat (models BJ80400 and BJ61500); City Mini Infant Car Seat/Stroller Travel Systems (model BJ72510); and Vue Lite Infant Car Seat/Stroller Travel Systems (models BJ70411, BJ70424, and BJ70431). The affected child seats have information on the labels, instruction manual and registration card that is either the wrong size, has an incorrect background color, or is in the incorrect order or is missing. As such, these seats fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 213, "Child Restraint Systems."

Consequence:

Missing information, undersized text, lack of capitalization and warnings in an incorrect order may affect the consumer's understanding on the proper use of the infant car seat, increasing the risk of injury to the child in the event of a crash.

Remedy:

Baby Jogger will notify registered owners and will provide a free replacement infant car seat. The recall is expected to begin during September 2016. Owners may contact Baby Jogger toll-free at 1-800-241-1848.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Baby Jogger's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
