Mfr's Report Date: January 26, 2015

NHTSA Campaign Number: 15V-038

Components:

EXTERIOR LIGHTING

Potential Number of Units Affected: 4,787

Problem Description:

Jaguar Land Rover North America, LLC (Jaguar) is recalling certain model year 2012-2015 Jaguar XK vehicles manufactured March 4, 2011, to March 20, 2014. In the affected vehicles, the front side lamps (parking lamps) may turn off after approximately 5 minutes. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

If the parking lamps turn off, the vehicle will have reduced conspicuity, increasing the risk of a crash.

Remedy:

Jaguar will notify owners, and dealers will update software that controls the front side lamps, free of charge. The recall is expected to begin March 13, 2015. Owners may contact Jaguar customer service at 1-800-452-4827. Jaguar's number for this recall is J049.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
