Subject: Exhaust Hanger Failure

Dear Lisa Hancock:

This letter serves to acknowledge Blue Bird Body Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

BLUE BIRD/ALL AMERICAN/2011-2016

Mfr's Report Date: February 2, 2015

NHTSA Campaign Number: 15V-060

Components:

ENGINE AND ENGINE COOLING:EXHAUST SYSTEM

Potential Number of Units Affected: 474

Problem Description:

Blue Bird Body Company (Blue Bird) is recalling certain model year 2011-2016 All American rear engine transit buses manufactured June 5, 2010, to January 13, 2015. In the affected transit buses, the exhaust system hangers may fail, possibly causing damage to the Selective Catalytic Reduction (SCR) and the Diesel Particulate Filter (DPF) housings.

Consequence:

If the exhaust hangers fail, the housings may fall onto the roadway, creating a road hazard and increasing the risk of a crash.

Remedy:

Blue Bird will notify owners, and dealers will install new bolted hanger assemblies and support cables, free of charge. The recall is expected to begin March 6, 2015. Owners may contact Blue Bird customer service at 1-478-822-2242. Blue Bird's number for this recall is R15YB-NSB.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with the first name being the most prominent.
