Subject: Fuel Pump Relay may Fail Resulting in Stall

Dear Mr. Hartnagel:

This letter serves to acknowledge Chrysler (FCA US LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

DODGE/DURANGO/2012-2013
JEEP/GRAND CHEROKEE/2012-2013

Mfr's Report Date: February 24, 2015

NHTSA Campaign Number: 15V-115

Components:

ELECTRICAL SYSTEM

Potential Number of Units Affected: 338,216

Problem Description:

Chrysler (FCA US LLC) is recalling certain model year 2012-2013 Jeep Grand Cherokee vehicles manufactured September 17, 2010, to August 19, 2013, and equipped with a 3.6, 5.7 or 6.4 liter engine, and 2012-2013 Dodge Durango vehicles manufactured January 18, 2011, to August 19, 2013, and equipped with a 3.6 or 5.7 liter engine. In the affected vehicles, the fuel pump relay inside the Totally Integrated Power Module (TIPM-7) may fail, causing the vehicle to stall without warning.

Consequence:

A vehicle stall increases the risk of a crash.

Remedy:

Chrysler will notify owners, and dealers will replace the fuel pump relay with one external to the TIPM. The recall is expected to begin April 24, 2015. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is R09. Note: This recall is an expansion of recall 14V-530.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Timian", with a horizontal line extending to the right.
