STRUCTURE

Potential Number of Units Affected: 16,582

Problem Description:

Toyota Motor Engineering & Manufacturing (Toyota) is recalling certain model year 2012-2015 Yaris vehicles manufactured August 31, 2011, to February 9, 2015, and sold in Puerto Rico. The affected vehicles may have been manufactured with a roof headliner that does not provide the proper occupant protection in the event of a crash. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 201, "Occupant Protection in Interior Impact."

Consequence:

If the vehicles are equipped with a headliner that does not meet the impact requirements, there is an increased risk of occupant injury in the event of a crash.

Remedy:

Toyota will notify owners, and dealers will replace the headliner, free of charge. The recall is expected to begin in mid-April 2015. Owners may contact Toyota customer service at 1-800-331-4331.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
