Dear Ms. Hancock:

This letter serves to acknowledge Blue Bird Body Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

BLUE BIRD/ALL AMERICAN/2016  
BLUE BIRD/VISION/2016

**Mfr's Report Date:** May 10, 2015

**NHTSA Campaign Number:** 15V-277

**Components:**

SEATS

**Potential Number of Units Affected:** 36

**Problem Description:**

Blue Bird Body Company (Blue Bird) is recalling certain model year 2016 Vision and All American rear engine school buses manufactured February 11, 2015, to April 2, 2015. The affected vehicles have seat bottoms whose foam core may not meet the flammability requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 302, "Flammability of Interior Materials."

**Consequence:**

If the seats are built with this seat bottom foam core, the seats may not resist catching fire in the presence of an ignition source, increasing the risk that a fire may start or spread.

**Remedy:**

Blue Bird will notify owners, and dealers will replace the school bus seat bottoms with foam that is compliant to the safety standard, free of charge. The recall is expected to begin June 12, 2015. Owners may contact Blue Bird customer service at 1-478-822-2242. Blue Bird's number for this recall is R15YD-SB.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Blue Bird's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.
