Dear Mr. Swindell:

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

NISSAN/ROGUE/2015

**Mfr's Report Date:** June 4, 2015

**NHTSA Campaign Number:** 15V-368

**Components:**

EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 110

**Problem Description:**

Nissan North America, Inc. (Nissan) is recalling certain model year 2015 Rogue Select vehicles manufactured November 17, 2014, to December 12, 2014 and equipped with seventeen-inch wheels. The affected vehicles have incorrect tire size information on the tire labels. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 110, "Tire Selection and Rims and Motor Home/Recreation Vehicle Trailer Load Carrying Capacity Information for Motor Vehicles with a GVWR of 4,536 kilograms (10,000 pounds) or less."

**Consequence:**

The labels list the incorrect tire size. Installing tires of the incorrect size may increase the risk of a crash.

**Remedy:**

Nissan will notify owners, and will send them new labels with the corrected information, free of charge. The recall is expected to begin by early August 2015. Owners may contact Nissan customer service at 1-800-647-7261.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Nissan's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Include the date of each test and observation that indicated that a noncompliance might or did exist. Please provide this information as soon as possible.

Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
