15V-418

Subject: Engine Start/Stop Button may Stick

Dear Mr. Swindell:

This letter serves to acknowledge Nissan North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

NISSAN/CUBE/2013-2014
NISSAN/JUKE/2013-2014
NISSAN/VERSA/2014

Mfr's Report Date: June 25, 2015

NHTSA Campaign Number: 15V-418

Components:

ELECTRICAL SYSTEM:IGNITION:SWITCH

Potential Number of Units Affected: 14,595

Problem Description:

Nissan North America, Inc. (Nissan) is recalling certain model year 2014 Versa Sedan vehicles manufactured July 16, 2013, to January 29, 2014, 2013-2014 Cube vehicles manufactured July 3, 2013, to October 21, 2013, and 2013-2014 Juke vehicles manufactured July 3, 2013, to October 22, 2013. When exposed to hot temperatures, the affected vehicles have an engine start/stop button that may stick inside the button housing.

Consequence:

If the engine start/stop button gets stuck in the housing, road vibrations may cause the engine to shut off unexpectedly while the vehicle is being driven, increasing the risk of a crash.

Remedy:

Nissan will notify owners, and dealers will modify the start/stop switch housing, free of charge. The recall is expected to begin by late-August 2015. Owners may contact Nissan customer service at 1-800-647-7261.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a large initial "J" and a long horizontal stroke at the end.
