Please review the following information to ensure that it conforms to your records as this information is being made available to the public. **Makes/Models/Model Years:**

MACK/GRANITE (GU)/2012-2016

**Mfr's Report Date:** August 13, 2015

**NHTSA Campaign Number:** 15V-528

**Components:**

SERVICE BRAKES, AIR:SUPPLY:RESERVOIR

**Potential Number of Units Affected:** 77

**Problem Description:**

Mack Trucks, Inc. (Mack) is recalling certain model year 2012-2016 Granite (GU) trucks manufactured January 21, 2011, to July 1, 2015. The affected trucks may be equipped with an air brake system reservoir that does not have a sufficient volume. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 121, "Air Brake Systems."

**Consequence:**

If the air brake system reservoir has an insufficient volume, braking performance may be affected, increasing the risk of a crash.

**Remedy:**

Mack will notify owners, and dealers will add additional air brake reservoir volume, free of charge. The recall is expected to begin by October 13, 2015. Owners may contact Mack customer service at 1-800-866-1177. Mack's number for this recall is SC0394.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Mack's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
