Description of Remedy :

Description of Remedy Program : The plan is to offer buyers return labels to send back the helmets (JX-A111-L) for full refund. We will send out all notification letters by 5/1/2015. Once we receive helmets returned by buyers we will issue a check within 3-5 weeks.

How Remedy Component Differs from Recalled Component : Buyers will stop using non-compliance helmets and get a full refund.

Identify How/When Recall Condition was Corrected in Production : We visited manufacturer's factory and had a discussion about the quality of helmets in October 2013. To make sure the manufacturer is capable of producing helmets complaint to FMVSS No. 218, we checked their production procedures and test equipment. We also required a copy of manufacturer's quality control processes and FMVSS No. 218 batch test instruction. In addition, we verified every test report with the certifying person or entity to ensure the helmets we ordered are complaint to FMVSS No. 218.
