

Part 573 Safety Recall Report**15V-154****Manufacturer Name :** Hyundai Translead**Submission Date :** DEC 07, 2015**NHTSA Recall No. :** 15V-154**Manufacturer Recall No. :** 14E075000**Manufacturer Information :**

Manufacturer Name : Hyundai Translead

Address : 8880 Rio San Diego Drive, #500

San Diego CA 92108-164

Company phone : 819-574-1500

Population :

Number of potentially involved : 3,412

Estimated percentage with defect : 100

Vehicle Information :

Vehicle : 2014-2015 Hyundai Translead Original, Composite, Composite XT, Dolly & HyCube

Vehicle Type : TRAILERS

Body Style : OTHER

Power Train : NR

Descriptive Information : Haldex reported (3) Life Seal NG3 brake chambers with defects. Part numbers are 1533030002, 1533030007 and 1533030020. They initially filed recall for limited production but then resubmitted to replace all (3) Life Seals above with Gold Seals line products.

Defect: Small internal air leak which bleeds air from the Spring brake side to the Service Brake side causing a possible brake brag condition.

Consequence: Brake failure which may cause accident. Haldex has already filed the above to NHTSA, campaign number 14E075000. Hyundai is submitting a Vehicle recall to follow regulations with NHTSA. VIN list of potential units affected attached.

Production Dates : DEC 01, 2013 - DEC 31, 2014
