

Part 573 Safety Recall Report**15V-161****Manufacturer Name :** Jerr-Dan Corporation**Submission Date :** MAR 17,2015**NHTSA Recall No. :** 15V-161**Manufacturer Recall No. :** NR**Manufacturer Information :**

Manufacturer Name : Jerr-Dan Corporation

Address : 13224 Fountain Head Plaza

Hagerstown MD 21742

Company phone : 1-717-597-7111

Population :

Number of potentially involved : 50

Estimated percentage with defect : 100

Vehicle Information :

Vehicle : 2010-2010 Jerr-Dan MPL-NGS, MPL-NG & MPL40

Vehicle Type :

Body Style :

Power Train : NR

Descriptive Information : Jerr-Dan has determined that a defect could exist in the counterbalance valve for the underlift tilt cylinder. Over time, the internal components of the counterbalance valve can become damaged, allowing the underlift tilt cylinder to drift down from its initial position during towing of a disabled vehicle, allowing the towed vehicle to make contact with the road surface.

Production Dates : AUG 03, 2010 - SEP 30, 2010

VIN (Vehicle Identification Number) Range

Begin : NR

End : NR

 Not sequential VINs**Description of Defect :**

Description of the Defect : Jerr-Dan has determined that a defect could exist in the counterbalance valve for the underlift tilt cylinder.

Description of the Safety Risk : Over time, the internal components of the counterbalance valve can become damaged, allowing the underlift tilt cylinder to drift down from its initial position during towing of a disabled vehicle, allowing the towed vehicle to make contact with the road surface.

Description of the Cause : NR**Identification of Any Warning that can Occur :** NR

Supplier Identification :

Component Manufacturer

Name : NR

Address : NR

FOREIGN STATES

Country : NR

Chronology :

July 2014: Jerr-Dan Corporation released Safety Recall Notice 14V-248, which also addressed the underlift tilt cylinder counterbalance valve on standard duty wreckers.

March 2015: Jerr-Dan Corporation identified an additional 50 units that were inadvertently excluded from the original serial number listing affected by Safety Recall Notice 14V-248.

Description of Remedy :

Description of Remedy Program : Jerr-Dan will notify owners of affected vehicles of the Recall Notice. Jerr-Dan will also notify dealers of the Recall Notice and provide rework instruction and reimburse the dealers for the cost of rework parts and reasonable amount of labor.

How Remedy Component Differs from Recalled Component : NR

Identify How/When Recall Condition was Corrected in Production : NR
