 Production Dates : MAR 31, 2015 - APR 20, 2015

VIN (Vehicle Identification Number) Range

Begin : NR

End : NR

 Not sequential VINs**Description of Defect :**

Description of the Defect : Incorrect tire size printed on federal labels - Tires on the travel trailers are
 LT235/75R15C while labels note ST205/75R14C
 Description of the Safety Risk : Installing a tire of incorrect size could result in excessive tire wear and may
 cause instability in towing which could increase the risk of a crash
 Description of the Cause : Incorrect Data entered in to system for printing labels
 Identification of Any Warning that can Occur : NR

Supplier Identification :**Component Manufacturer**

Name : NR

Address : NR

FOREIGN STATES

Country : NR

Chronology :

April 27, 2015 during normal production discovered labels did not call out the correct size of tires on the travel trailers. Investigation found incorrect data had been entered for units that are built with the Extreme package option.

Description of Remedy :

Description of Remedy Program : Error corrected in system, new labels printed noting the correct size of tire.
- labels will ship to current owner of the travel trailer - they can replace the labels or have Starcraft Dealer replace.

How Remedy Component Differs from Recalled Component : Original labels note tire size as ST205/75R14C -
corrected labels note the correct size of tire
LT235/75R15C

Identify How/When Recall Condition was Corrected in Production : NR
