

Part 573 Safety Recall Report**15V-685**

Manufacturer Name : Jayco, Inc.
Submission Date : OCT 20,2015
NHTSA Recall No. : 15V-685
Manufacturer Recall No. : 9901265

**Manufacturer Information :**

Manufacturer Name : Jayco, Inc.
 Address : 903 South Main Street
 PO Box 460 Middlebury IN 46540
 Company phone : 800-283-8267

Population :

Number of potentially involved : 0
 Estimated percentage with defect : 0

Vehicle Information :

Vehicle : 2016-2016 Fifth Wheels Eagle Half Ton (HT)
 Vehicle Type : TRAILERS
 Body Style :
 Power Train : NR
 Descriptive Information : complete scope under investigation
 Production Dates : MAY 19, 2015 - OCT 08, 2015

VIN (Vehicle Identification Number) Range

Begin : NR

End : NR

 Not sequential VINs**Description of Defect :**

Description of the Defect : Manufacture of the towing hitch installed on the 2016 Eagle HT fifth Wheels - Lippert Components (LCI) - omitted warning label on the hitch - label that should note max GVWR for towing, max Tongue Weight and towing vehicle (FW) braking information

FMVSS 1 :NR

FMVSS 2 :NR

Description of the Safety Risk : customer may overload towing hitch and not be aware of how the brake system affects the vehicle being towed. All could lead to drivability issues and risk of crash.

Description of the Cause : NR

Identification of Any Warning that can Occur : NR

Supplier Identification :**Component Manufacturer**

Name : Lippert Components LCI

Address : NR

NR

Country : United States

Chronology :

10-16-15 Jayco Towable Engineers noted that the last run of Eagle HT Fifth Wheels that went on line 10-8-15 did not have the correct or any warning labels that LCI is required to place on their towing hitch. Lippert was contacted and they were on site placing labels on the towing hitch of the 2016 Eagle HT Fifth Wheels 10-16 - we are still investigating when LCI quite putting the required labels on or if they every did place the labels for the 2016 model year prior to 10-16-15. We are currently reviewing the information and placement of the labels with LCI.

Description of Remedy :

Description of Remedy Program : LCI provides the correct warning label and Jayco Dealers will place in correct location of the towing hitch of the Fifth Wheel

How Remedy Component Differs from Recalled Component : NR

Identify How/When Recall Condition was Corrected in Production : NR

Recall Schedule :

Description of Recall Schedule : NR

Planned Dealer Notification Date : NR - NR

Planned Owner Notification Date : NR - NR

* NR - Not Reported
