CAMPAIGN BULLETIN

Takata Passenger Airbag Inflator Voluntary Safety Recall Campaign

Reference: P4235

Date: February 24, 2017

Attention: Retailer Principal, Sales, Parts and Service Managers

REVISED February 24, 2017

- As previously announced on February 10, 2017, campaign ID P4235 is no longer active.
- Vehicles remedied under this campaign require no further action at this time. Infiniti will notify those owners should additional action be necessary.
- Any VINs subject to P4235 that were not remedied are now identified by R1706 (ITB17-011).

Please discard earlier versions of this bulletin and refer to the R1706 bulletin for additional details.
