

UPDATE:

On behalf of dealers, GM Global Vehicle Safety (VSOE) will be sending a direct mail and email communication to customers with unrepaired vehicles affected by the Takata Airbag Safety Recall. This will be facilitated using the GM Customer Sales and Service Retention (CSSR) program at no cost to dealers.

The email will be sent on 9/16 – 9/18/2026 and the direct mail will be sent the week of 9/14/2026 advising owners to visit their dealership to complete the free recall repair.

Manifest is live on Global Connect, under the name: Takata Airbag Recalls.

No action is required on your part. If you have any questions, please call your Epsilon Program Headquarters Representative at: (800) 292 9220.
