SAFETY RECALL NOTICE (Remedy Notice)

This notice applies to your vehicle [VIN]

**URGENT SAFETY
RECALL**

This is an important
Safety Recall
Notification. **The remedy
will be performed at NO
CHARGE to you.**

Dear Toyota Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Toyota has decided that a defect, which relates to motor vehicle safety, exists in certain 2003-2007 model year Corolla and Corolla Matrix, 2003-2006 model year Tundra, and 2002-2007 model year Sequoia vehicles.

You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

What is the condition?

The subject vehicles are equipped with front passenger air bag inflators which may have been manufactured in such a way as to have a potential for the intrusion of moisture over time. Depending on the circumstances, this could create excessive internal pressure when the air bag is deployed and cause the inflator to rupture. In the event of an inflator rupture, metal fragments could pass through the air bag cushion material, striking the vehicle occupants potentially resulting in serious injury or death.

What will Toyota do?

Any authorized Toyota dealer will replace the passenger airbag inflator module at **no charge** to you.

What should you do?

This is an important Safety Recall.

Toyota has completed parts preparation for vehicles in your geographic area. Please contact any authorized Toyota dealer to schedule an appointment to have this remedy performed as soon as possible. The repair will take approximately 2 hours. However, depending on the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time.

Until the remedy is performed, we recommend that you do not operate the vehicle with an occupant in the front passenger seat. We sincerely apologize for any inconvenience this will cause, but we are taking this action to ensure your safety.

You do not need an owner letter to have this recall completed; however, to assist the dealer in confirming vehicle eligibility, we request that you present this notice at the time of your service appointment.

If you would like to update your vehicle ownership or contact information, you may do so by registering at www.toyota.com/ownersupdate. You will need your full 17-digit Vehicle Identification Number (VIN) to input the new information.
