**Subject: Takata Air Bag Recalls**

In July, we announced several promotions/programs that we had put together for the Takata airbag recall in an effort to reduce the number of affected vehicles on the road. This included the [redacted] dealer incentive, the 2-sided Takata recall cards, and the Takata airbag recall postcard available for order on the parts and service adplanner.

We had over 250 dealers utilize the postcard mailer on the adplanner which was sent to over 75,000 customers. And, thanks to your efforts, we have completed almost 2,000 Takata recalls since July. Although we are making progress, we still have a long way to go.

As part of our continuing efforts to minimize the number of vehicles with an open Takata air bag inflator recall, MMNA will be sending a barrage of post cards – 5 different postcards in 5 consecutive days – to owners of affected vehicles, urging them to have this important recall completed at an Authorized Mitsubishi Dealership as quickly as possible.

To further encourage affected owners to have this recall completed, one of the postcards will also contain an offer for a free oil change upon completion of the recall.

Dealers will be reimbursed the following amounts for the oil change:

- 2004-2007 Lancer = [redacted]
- 2006-2009 Raider = [redacted]
- 2004-2006 Lancer Evolution = [redacted]

NOTE: You must submit promo claim code [redacted] for this offer. i-MiEV owners will not receive this offer.
