Subject	Airbag Inflator Mobile Repair Process-Claim Submission Requirements
----------------	---------------------------------------------------------------------

Background

This Airbag Inflator Mobile Repair Claim Submission Process applies to specific Non-Alpha PG1-3 VINs affected by (Honda S/B 15-040 *Safety Recall: Driver's Airbag Inflator Can Be Over-Pressurized*) & (Honda S/B 15-067 *Safety Recall: Front Passenger's Airbag Inflator Can Be Over-Pressurized*). This process is available for your Honda Dealer to request an additional 0.6 hours of labor for Dealer Technician assisted mobile repairs only. We appreciate your on-going support with this activity.

Requirements

- **Zone Recall Manager Authorization** is required on all Airbag Inflator Mobile Repair Claims.

Instructions

- The **Line item** on the RO should state "Airbag Inflator Mobile Repair" (this must be transferred to the customer contention description).
- A **Template ID** is required for each affected vehicle to receive an additional 0.6 hours of labor for the mobile repair and should **ONLY** be claimed by Dealers when Dealership personnel perform the work.
- **Note: Only 1 Mobile Repair Template is allowed per VIN.** If both Driver and Passenger side inflator repairs are performed to the same VIN, Dealers are only allowed to claim 1 mobile repair template. The opposite side should have a warranty claim submitted using the non-mobile repair template ID from the standard service bulletin.
