Subject: Open Takata Campaigns (FL684 & FL714)

Attachments: Open Campaigns - FL684 & FL714.xlsx; Takata Dealer Flyer 2018-07.pdf; FL684.pdf; FL714.pdf

To: Dealers, General Managers, Service Managers and Warranty Managers,

DTNA is required to manage the **Sterling Bullet Takata Airbag Recalls (FL684 & FL814)** to a **100% completion rate**.

Through the first 8 quarters of these recalls, we have completed 53% of these repairs. Approximately 1,200 airbags Takata Airbags in our product remains to be replaced (47%).

Please see attached EXCEL file that contains all current information on these units and their registered customers, as well as the **Takata Dealer Flyer** that details out the specific **Dealer Incentives** available to complete these recalls.

We ask that you review this file to identify vehicles in your AOR, or registered with your dealerships, to get these open recalls completed and achieve our 100% completion rate requirement.

If you have any questions regarding these recalls or need further assistance, please contact Leo.Connolly@Daimler.com

Thank you and best regards,

David Dole, Director Service Operations
