Models: Bulletin 15808B: 2016 Chevrolet Camaro, Malibu, Silverado,
2016 GMC Sierra Equipped with Radio Infotainment System (RPO IOA/OIB)

Bulletin 52320-01: 2016-2017 Cadillac CT6, CTS, Escalade,
Escalade ESV, XTS
To: All General Motors Dealers

The Service Procedure and the Warranty Information sections have been revised. Effective immediately, technicians MUST record the Warranty Claim Code on the Job Card. To avoid warranty transaction rejection, this information must be entered when submitting the transaction. If the Same Calibration/Software Warning is noted on the SPS Controller screen, continue with the programming event using SPS to ensure a Warranty Claim Code is displayed on screen. Please discard all previous copies of the subject bulletins.
