Subject STOP SALE NOTICE: Multi-Model Starter Relay Switch Inspection - iN Problems

Motorcycle National Field Service

July 6, 2015

Sales Unit Benefits Not Working for Models Affected by Starter Relay Switch Inspection

Dear Honda Powersports Dealer:

On July 2, AHM sent an **iN** Message stating the *Sales Unit Benefit* application within **iN** would be functional on July 3. Unfortunately this is not the case as we are still working to resolve the problem.

In the meantime you can continue to use the *Unit Information* and *e-Responsibility Report* applications to find the recall status of individual units and your affected inventory.

Thank you for your patience as we work to resolve the problem.

Sincerely,
American Honda Motor Co., Inc.

Bradley Little
Manager, National Field Service
Motorcycle Division
