General Motors is releasing Noncompliance Recall 15568 today. The total number of U.S. vehicles involved is approximately 63,665.

Vehicles involved in this recall were placed on stop delivery July 14, 2015. Once the service procedure contained in the bulletin has been performed on the vehicle, the vehicle is released from stop delivery and the vehicle can be delivered to the customer.

The former Noncompliance Recall 15119 on this issue has been closed. Please discard all copies and discontinue its use. Vehicles identified in Noncompliance Recall 15119 have been transferred to recall 15568. All vehicles that were involved in recall 15119 (whether serviced or still open) will require repair under recall 15568.

Please see the attached bulletin for details.
