### **\*\*\*\*\* Repair Timing Update \*\*\*\*\***

Nissan is still investigating this issue and has not fully determined the necessary repairs at this time. We will continue to provide regular updates on a weekly basis until a repair is available. The next update will be provided on or before August 19<sup>th</sup>.

**IMPORTANT:** It is a violation of Federal law for retailers to sell or deliver vehicles in their inventory covered by this notification until the campaign action is performed.

### **\*\*\*\*\* What Dealers Should Do\*\*\*\*\***

1. Verify if vehicles are affected by this Voluntary Safety Recall Campaign using Service Comm I.D. **PC384.**
2. Dealers should not sell, lease, trade, rent or loan any vehicles in dealer inventory affected by this recall campaign until after the vehicle has been repaired.
3. Retail customers can continue to drive their vehicle at their discretion. Rental will be available under the campaign until parts and repairs are available.
