TO: Dealer Principal, General Manager, Service Directors, Service Managers, Training Coordinators, Warranty Administrators, and Service Technicians

SUBJECT: R47 Side Airbag Inflatable Curtain Safety Recall Supplement TechTube– Available

FCA Performance Institute has released a new TechTube (**course code TT06006**).

TT06006 TechTube supports the service procedures involved with Safety Recall R47, affecting specific 2014-2015 Ram 1500 Quad Cab pickups built through August 8, 2015.

This TechTube provides details regarding the following:

- Lowering the headliner
- Installing the headliner foil patches
- Inspecting the side airbag inflatable curtains (SABIC) for proper assembly

This presentation is intended to support the recall documentation. **Always refer to the published recall procedure for the most complete and up to date procedures.**

It is the goal of FCA Performance Institute to make training as effective and convenient as possible for our dealers. Please take a moment at the end of the course to fill out the survey.

Sincerely,

FCA Performance Institute
