**IMPORTANT SAFETY RECALL**  
**NHTSA Recall Campaign 15V-638**

Name  
Address  
City, State, Zip

Dear Valued Starcraft Dealer:

Starcraft has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 Autumn Ridge Travel Trailers manufactured from March 27, 2015 through September 22, 2015. The affected travel trailers were manufactured on a LCI frame that has inadequate clearance between the wheel and the wheel well. Inadequate clearance may cause premature tire wear or possible fire failure, increasing the risk of a crash. The recall remedy is to replace the hanger brackets on the frame with a new tube and bracket assembly.

Our records show the following Starcraft units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold:

Serial Number Listing

**Dealer Campaign Responsibility**

**Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.**

If you have any questions, please contact Starcraft Customer Service 800-945-4787 for further instructions. All pertinent documents regarding this recall are available on Star Connect under the Service and Parts tab.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our Customers' safety and their continued satisfaction with Starcraft product.

Sincerely,  
Starcraft
