

SUBJECT

Recall 15V-xxx: Electro-Hydraulic Power Steering (EHPS) System

MODEL

R50 (Cooper)

R53 (Cooper S)

R52 (Cooper and Coopers S Convertibles)

SITUATION

BMW AG is conducting a Voluntary Safety Recall involving the EHPS System in certain:

- Model Year 2002-2005 MINI Cooper and Cooper S
- Model Year 2005 MINI Cooper and Cooper S Convertibles

The EHPS System may experience temporary or permanent loss of power assistance due to manufacturing and field exposure issues.

For your reference, a Q&A has been attached.

This bulletin will be updated with repair instructions, parts and warranty information when it becomes available. The affected vehicles are currently covered for this issue under a 13 year/150,000 mile extended warranty per M01 01 13. Until MINI USA is ready to release the recall campaign, the extended warranty will remain available to you to address any customers' issues.

Please contact your field representatives if you have any questions.
