City ST Zip

Dear Valued Starcraft Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Starcraft has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2014 through 2016 Launch Ultra Lite 28BHS Travel Trailers manufactured October 31, 2013 through October 1, 2015. The affected travel trailers are equipped with a Happijac bed that will not limit out and may continue to move up and damage the bed brackets and motor.

Damage to the bed's brackets and motor may cause bed to break and possibly fall onto anyone that may be under it, increasing their risk of injury. The recall remedy is to re-position the brackets to allow the bed to limit out prior to causing damage.

Our records show the following Starcraft units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold:

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Starcraft Customer Service 800-945-4787 for further instructions. All pertinent documents regarding this recall are available on Star Connect under the Service and Parts tab.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our Customers' safety and their continued satisfaction with Starcraft product.

Sincerely,
Starcraft
