Dear Valued Jayco Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 Eagle HT fifth wheels manufactured May 19, 2015 through October 8, 2015. The affected vehicles were manufactured with a LCI towing hitch that does not have the Warning Label required to call out the maximum GVWR weight of 3000 lbs for towing and the Maximum tongue weight of 300 lbs.

Owners could unknowingly overload the trailer, which may result in tire or axle failure and increase the risk of a crash.

Our records show the following Jayco units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold. Enclosed with this notification is the label for the units listed below:

Serial Number Listing

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions. All pertinent documents pertaining to this recall are on file under the Service and Parts tab of Jayco Partners.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and their continued satisfaction with the Jayco fifth wheel.

Sincerely,
Jayco
