Dear Valued Starcraft Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Starcraft has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 Autumn Ridge 339BHTS Travel Trailers manufactured March 27, 2015 through September 22, 2015. The affected units have inadequate protection for the LP lines and electric wiring under the unit.

The unprotected LP lines may be damaged by road debris without owner being aware and may create the possibility of personal injury from an undetected gas leak. Additional protection will be added to the affected travel trailers.

Our records show the following Starcraft units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold. The correct labels for the units listed below are included with this letter.

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Starcraft Customer Service 800-945-4787 for further instructions. All pertinent documents regarding this recall are available on Star Connect under the Service and Parts tab.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our Customers' safety and their continued satisfaction with Starcraft product.

Sincerely,
Starcraft
