

Important Safety Recall

Dear Dealer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act and The Canadian Motor Vehicle Safety Act and is important for your safety.

Thor Motor Coach (TMC) decided that a defect which relates to motor vehicle safety exists in certain Thor Motor Coach – Four Winds models of motor homes.

All of the motorhomes subject to this recall campaign are equipped with an Iota ITS-50R Transfer Switch which may be experiencing heat related failures when exposed to elevated electrical loads associated with RV use in higher ambient temperatures. The connections at the buss bar inside of the switch are not adequate resulting in elevated operating temperatures. This potentially could result in a fire. In the event of a fire, there is a potential for property damage, personal injury or death.

The required action is to replace the Iota ITS-50R Transfer Switch.
