NHTSA Recall No. 15V785

Dear Classic American Trolley Dealer:

Supreme Corporation has decided that certain model year 2014 and 2015 Classic American Trolley vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 205, *Glazing materials*. Supreme is conducting a safety recall to address this condition.

What Vehicles Are Affected?

This recall involves a limited population (30 units) of model year 2014 and 2015 Classic American Trolley model vehicles, which were built by Supreme from approximately October 1, 2014 through November 2, 2015. A list of affected VINs is enclosed.

What is the Issue?

Due to a supplier error, these vehicles may be equipped with windshields that meet the AS2 or AS3 specification, rather than the AS1 specification as required by FMVSS No. 205, *Glazing materials*. The lower light transmittance of AS2 and AS3 windshield glass could affect driver visibility under certain conditions and increase the risk of a crash.

What Will Supreme Do?

Supreme will replace the AS2/AS3 windshield material with AS1 material at no charge (parts and labor). The repair should take less than 4 hours to perform.

What Should You Do?

To ensure a successful completion of this recall campaign, we ask that you do the following:

Vehicles in Dealer Inventory. Please determine whether any of the vehicles listed on the enclosed VIN list remain in your inventory. Any covered vehicles that remain in your inventory must be repaired prior to delivery to purchasers. [For further instructions, please contact your Supreme representative and mention Recall No. 15V785.]

Vehicles Shipped to Owners. Supreme will provide notice to vehicle owners with instructions for them to contact Supreme to arrange for the recall service. A copy of Supreme's owner notification letter is attached.

Note: Federal law prohibits the delivery of affected vehicles under a sale or lease until this issue has been corrected. Federal law also requires that any vehicle lessor receiving this recall notice forward a copy of the notice to the lessee within 10 days.
