STOP SALE NOTICE

Dear Ferrari Dealer:

We have informed NHTSA that Ferrari S.p.A. is launching a **SAFETY DEFECT RECALL** on certain Ferrari Cali T vehicles to correct a potentially improperly manufactured fuel pipe from the supplier:

Effective immediately, **YOU MUST NOT SELL OR DELIVER** any new Ferrari Cali T vehicle bearing a VIN found on the attached list. Additionally, do not use any demonstrator vehicles bearing one of these VINs for any purpose until further notice

Please make sure all departments in your dealership are aware of this action.

It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.

Further information will be forthcoming in the next few days. Ferrari is working with the supplier in order to source the parts necessary for the recall in a timely fashion.

The necessary technical information will be delivered as soon as possible.

Please contact your Area Business Manager or Area Sales Manager if you have any questions.
