Non-Compliance Recall J049

Vehicle Affected: XK
Model Year: 2012-2015

National Highway Traffic Safety Administration Recall Number: 15V-038

Dear Jaguar XK Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Jaguar has decided that 2012-2015 model year XK vehicles fail to conform to the requirements of the Federal Motor Vehicle Safety Standard (FMVSS) 108 'Lamps, Reflective Devices, and Associated Equipment'. Your vehicle is included in this Recall action.

What is the concern?

A non-compliance issue has been identified on a limited number of 2012-2015 model year Jaguar XK vehicles where the front side lights, when used as parking lamps, will extinguish in error after approximately five (5) minutes.

Where the side lights are switched on with the ignition off, the front lights should remain illuminated (until the battery is exhausted). On these vehicles, the front side lights when operated in this manner will only remain on until the Central Junction Box enters sleep mode. They will then turn off.

Vehicles in this condition will not comply with the requirements of the Federal Motor Vehicle Safety Standard (FMVSS) 108 – Lamps, Reflective Devices, and Associated Equipment. Non-functioning parking lamps may increase the risk of a vehicle being involved in a crash.

What will Jaguar and your Jaguar Retailer do?

Jaguar is carrying out a recall of the vehicles mentioned above. An authorized Jaguar retailer will update your vehicle's Central Junction Box software to the latest level.

There will be no charge for this repair.

What should you do?

Please contact your authorized Jaguar retailer at your earliest convenience to schedule an appointment beginning the week of March 23, 2015, to have Recall Action J049 completed on your vehicle.

How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately 30 minutes, although your retailer may need your vehicle for a longer time due to service scheduling requirements.

Attention Leasing Agencies: Federal regulations require that you forward this recall notification to the lessee within TEN days.

Moved or no longer own a Jaguar?

If you are no longer the owner of this vehicle, Jaguar would greatly appreciate the name and address of the new owner, using the Information Change Form enclosed.
