

IMPORTANT SAFETY RECALL

R06 / NHTSA 15V-046

This notice applies to your vehicle (VIN:xxxxxxxxxxxxxxxxxx).

This interim notification letter is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

FCA US LLC has decided that a defect, which relates to motor vehicle safety, exists in certain **2002 and 2003 model year Jeep Liberty models; 2002 through 2004 model year Jeep Grand Cherokee models; and 2003 and 2004 model year Dodge Viper models.**

The problem is... The airbag system Occupant Restraint Control (ORC) module on your vehicle may experience a front airbag and/or seatbelt pretensioner inadvertent deployment. An inadvertent deployment while driving could distract the driver and cause a crash without warning.

NOTE: All involved vehicles must have the Occupant Restraint Control (ORC) module replaced. If you already had M35 (12V-527) or N13 (13V-040) completed, recall R06 must still be completed once parts become available. The original repair for M35 (12V-527) or N13 (13V-040) has helped to address the concern, but does not satisfactorily eliminate the potential for inadvertent airbag deployments. If you still have safety recall M35 (12V-527) or N13 (13V-040) in "OPEN" status, please schedule your service appointment with a Chrysler dealer to perform the repair. The interim remedy will take about two hours to complete. However, additional time may be necessary depending on service schedules.

What your dealer will do... FCA intends to repair your vehicle free of charge (parts and labor). However, the parts required to provide a permanent remedy for this condition are currently not available. FCA is making every effort to obtain these parts as quickly as possible. **FCA will contact you again by mail, with a follow-up recall notice, when the remedy parts are available.**

What you must do to ensure your safety... Once you receive your follow-up notice in the mail, simply **contact your Chrysler, Jeep or Dodge dealer** right away to schedule a service appointment.

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the FCA Recall Assistance Center at 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. If you have further questions go to **recalls.mopar.com**.
