### Safety Recall J051

**Vehicle Affected:** Jaguar XF  
**Model Year:** 2013

**National Highway Traffic Safety Administration Recall Number: 15V 091**

#### Dear Jaguar XF Owner:

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*. Jaguar has decided that a defect which relates to motor vehicle safety exists in certain 2013 model year Jaguar XF vehicles. Your vehicle is included in this Recall action.

#### What is the concern?

A concern has been identified whereby the in-tank electric fuel pump may not be correctly activated following a vehicle start up cycle. It is possible your vehicle may not start. However, should it start, it may subsequently cut-out when driving and re-start may not be immediate. Fuel starvation to the engine leads to engine cut out with minimal warning and could potentially cause a crash.

An engine stall without warning while driving may lead to a loss of motive power, a loss of power-assisted braking, and a loss of power-assisted steering. Each of these conditions may increase the risk of a vehicle crash.

#### What will Jaguar and your Jaguar Retailer do?

Jaguar is carrying out a recall of the vehicles mentioned above. An authorized Jaguar retailer will inspect the vehicle for presence of the link lead electrical harness. Where a link lead electrical harness has been omitted, the retailer will install one.

There will be no charge for this repair

#### What should you do?

Please contact your authorized Jaguar retailer at your earliest convenience to schedule an appointment to have Recall Action J051 completed on your vehicle.

#### How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately 30 minutes, although your retailer may need your vehicle for a longer time due to service scheduling requirements.

**Attention Leasing Agencies:** Federal regulations require that you forward this recall notification to the lessee within TEN days.
