Dear Kawasaki Motorcycle Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

The reason for this notice:

Kawasaki Motors Corp., U.S.A. has decided that a defect which relates to motor vehicle safety exists in 2009 - 2013 Concours 14 & 14 ABS models with modifications for law enforcement use designed and implemented by Enforcement Motors Inc., or BMS Inc. On certain units with modifications designed and implemented by Enforcement Motors, Inc., and BMS, Inc., the addition of an auxiliary battery and charging relay could cause an electrical overload on the charging circuit. Kawasaki has received reports of a blown main fuse causing the engine to lose power or shut down. Unexpected loss of power or engine shut down can create the potential for a crash resulting in injury or death. Our records indicate that you have purchased one of these units.

What Kawasaki and your dealer will do:

Your Kawasaki dealer will inspect and make necessary repairs at no charge. The campaign will be conducted in two stages. Stage 1, an interim repair, consists of replacing the main fuse and inspecting the vehicle monthly as well as educating operators about how to prevent blowing the main fuse. Stage 1 will be completed on most vehicles within 5 hours but could take longer due to the condition of the vehicle.

Kawasaki will mail a second notice to owners to schedule the Stage 2 and final repair of this campaign.

What you must do to ensure your safety:

Please call your authorized Kawasaki motorcycle dealer to schedule an appointment and take this letter with you at the time of your appointment.

If your motorcycle is maintained by your police department, contact that department for instructions.

OPERATE ONLY IN ACCORDANCE WITH THE ENCLOSED USAGE GUIDELINES

If you need help:

If you have questions or concerns that your dealer is not able to resolve, please contact Kawasaki's Consumer Services Department at (866) 802-9381 (toll-free) between 8:00 a.m. and 5:00 p.m. PT Monday through Friday. Please have your Vehicle Identification Number ready when calling.

If your dealer fails or is unable to remedy this defect without charge within a reasonable amount of time (60 days after your first attempt to obtain remedy), you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1(888) 327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
