**Aviso de Revisión de Cumplimiento 15C02**

2015 MKZ

This notice applies to your vehicle,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

The Lincoln Motor Company has decided that your vehicle, with the Vehicle Identification Number shown above, fails to conform to the requirements specified in Federal Motor Vehicle Safety Standard (FMVSS) 108 – Lamps, reflective devices, and associated equipment.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

**What is the issue?**

On your vehicle, the park lamps are too bright. The increased brightness exceeds the maximum allowable intensity specified in FMVSS 108 and may adversely affect the vision of oncoming drivers, increasing the risk of a crash.

**What will Lincoln and your dealer do?**

The Lincoln Motor Company has authorized your dealer to correct the intensity of the park lamps by reconfiguring the software in your vehicle's body control module free of charge (parts and labor).

**How long will it take?**

The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

**What should you do?**

Please call your dealer without delay and request a service date for Recall 15C02. Provide the dealer with the Vehicle Identification Number (VIN) of your vehicle. The VIN is printed near your name at the beginning of this letter.

If you do not already have a servicing dealer, you can access [www.Lincolnowner.com](http://www.Lincolnowner.com) for dealer addresses, maps, and driving instructions.

**What should you do?  
(continued)**

The Lincoln Motor Company wants you to have this recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed.

**Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.**

**What if you no longer own this vehicle?**

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner.
