IMPORTANT SAFETY RECALL

55 / NHTSA 15V-305

This notice applies to your vehicle (VIN: [redacted]).

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Ferrari has decided that certain Model Year 2014 to 2015 Ferrari LaFerrari vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 202a, (Energy Absorption Testing for Head Restraints). This recall exclusively affects the largest size seat with seat back inclination of 32 degrees identified as L32. Seat L32 is standard on all LaFerrari models as a passenger's seat and optional as a driver's seat. There are 3 sizes available for the driver's seat depending on the driver's size. We want to assure you that your safety is our priority, and we are committed to correcting this condition in your vehicle.

Your vehicle has one or two of these seats installed. The dealer will know by your VIN whether one or both seats need to be modified. This non-compliance could increase the risk of occupant injuries in the event of a rear collision.

Ferrari will repair your vehicle free of charge to replace the headrest(s) and modify the backrest(s) of the Large Size L32 seat(s) to ensure conformity with the energy absorption standards under FMVSS 202a. Please contact your Ferrari dealer and make an appointment to have this repair performed. The time needed for this repair is estimated to be 2 hours; however, your dealer may need to keep your vehicle for a longer period of time due to scheduling needs at the dealership.

If you have any questions or concerns which your dealer is unable to resolve, please contact Ferrari North America, Inc. at 201-816-2000.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Ferrari North America, Inc., 250 Sylvan Ave., Englewood Cliffs, NJ 07632 Attention: Warranty Department. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days.

If you believe that Ferrari has failed or is unable to repair your vehicle without charge within a reasonable time, you may file a complaint with the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, D.C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY:1-800-421-9153) or go to http://www.safercar.gov.
