IMPORTANT SAFETY RECALL

Subject: Safety Recall 15KWJ - Dana Diamond Series Driveline Weld Fatigue
NHTSA Recall number 15V-310
The VINs are listed on the back of this page

BP West Coast Products LLC
4519 Grandview Rd
Blaine, WA 98230-9640

Dear Kenworth Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Kenworth Truck Company has decided that a defect which relates to motor vehicle safety exists in certain model year 2014 and 2015 Kenworth T660, T680, and T800 trucks manufactured from January 29, 2013 through April 2, 2014. The affected trucks are built with a driveshaft that may not transmit power to the wheels due to weld failure from corrosion.

If the weld fails causing a loss of power to the rear wheels, the vehicle operator may be unable to move the vehicle, or may experience deceleration if the vehicle is in motion, increasing the risk of a vehicle crash.

<i>The problem is...</i>	Driveline weld fatigue
<i>What your dealer will do...</i>	Dealers will replace the driveline
<i>What you must do ...</i>	Contact your Kenworth Dealer to schedule an appointment for repair

Kenworth has initiated a recall to replace the main driveline. This repair should take approximately **0.5 Hours** and will be performed at no charge to you. Please contact your Kenworth dealer immediately to schedule an appointment for this repair. To find your nearest Kenworth dealer, please visit Dealer Locator at www.Kenworth.com. If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

If you require further information about this recall, reimbursement of a pre-notification remedy associated with this recall or experience any difficulty in making arrangements for this repair, please contact: Kenworth Truck Company, P.O. Box 1000, Kirkland, WA 98083-1000, Attn: Quality Services Department, phone 425-828-5000.

If you conclude that Kenworth Truck Company has not enabled you to remedy this defect in reasonable time and without charge, you may submit a complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590, or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, we would appreciate your advising us of the new owner if you know their name.

We regret any inconvenience that this work may cause you and appreciate your cooperation in this matter.

Sincerely,

Mike Kalkoske
Quality Services Manager
