IMPORTANT SAFETY RECALL

OWNER NOTIFICATION

NHTSA RECALL 15V-501

Dear Nissan Armada owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that certain Model Year 2015 Nissan Armada vehicles fail to conform to requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 209 "Seat Belt Assemblies" and FMVSS No. 208 "Occupant Crash Protection." Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

Certain Model Year 2015 Armada vehicles may have been equipped with incorrect front seat belt buckle assemblies. If the front seat belt buckle assembly is incorrect, it could cause the front driver or passenger seat belt buckles to not properly latch or unlatch when the release button is depressed. In this condition, the buckle may increase the risk of injury in a crash or prevent occupants from exiting the vehicle.

What Nissan Will Do

Your Nissan dealer will inspect the front right and left seat belt buckle assemblies, and if necessary, replace them at no charge for parts and labor. This repair may take up to an hour and a half to complete. Your dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Contact your Nissan dealer as soon as possible in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment. **If you believe the seat belt buckle in your vehicle is not functioning properly, please make a dealer appointment immediately.** Do not allow a passenger to ride in the front seat if the buckle is malfunctioning. If the driver seat buckle is malfunctioning, please call Nissan Roadside Assistance at 1-866-821-4145.

If the dealer fails to, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
