

IMPORTANT SAFETY RECALL

R39 / NHTSA 15V-509

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxx).

This notification letter is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

FCA US LLC has decided that a defect, which relates to motor vehicle safety, exists in certain **2014 model year Jeep® Cherokee vehicles**.

The problem is... The windshield wiper system in your vehicle may develop static electricity build-up. As a result, an Electro-Static Discharge (ESD) in the wiper system could feed back into the Body Control Module (BCM) internal electronics and cause the BCM to fail. A failed BCM could cause the windshield wiper to stop functioning without warning. Operating the vehicle without windshield wipers under certain driving conditions could limit the driver's view and cause a crash.

What your dealer will do... FCA will repair your vehicle free of charge (parts and labor). To do this, your dealer will install a ground strap to the windshield wiper linkage module. The ground strap will prevent the build-up of static electricity in the windshield wiper system. All vehicles must be inspected for front wiper functionality. Vehicles found with non-functioning wiper system and Diagnostic Trouble Code B2349 must have the Body Control Module (BCM) replaced. The work will take up to 1 hour to complete. However, additional time may be necessary depending on service schedules.

What you must do to ensure your safety... Simply contact your Chrysler, Jeep, Dodge or RAM dealer right away to schedule a service appointment. Ask the dealer to hold the parts for your vehicle or to order them before your appointment. **Please bring this letter with you to your dealer.**

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either fcarecalls.com or 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. If you have further questions go to fcarecalls.com.

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online or you can mail your original receipts and proof of payment to the following address for reimbursement consideration: **FCA Customer Assistance, P.O. Box 21-8004, Auburn Hills, MI 48321-8007, Attention: Recall Reimbursement**. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you've had previous repairs and/or reimbursement you may still need to have the recall repair performed on your vehicle.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or you can call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to safercar.gov.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
