Dear Toyota Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Southeast Toyota Distributors, LLC ("SET") has decided that a defect which relates to motor vehicle safety exists in certain 2010-2015 Toyota 4Runner vehicles equipped with a SET installed accessory exhaust tip.

What is the condition?

SET either installed, or sold to dealers to install, accessory exhaust tips for the 2010 - 2015 Toyota 4Runner. Although the exhaust tip is recessed behind the bumper, SET has determined that the exhaust tip could come into contact with people standing behind and reaching into the rear of the vehicles. A person who comes into contact with an exhaust tip can be burned.

What is Southeast Toyota Distributors, LLC going to do?

The Toyota dealer will install a new, re-designed exhaust tip that is smaller in diameter and is recessed a greater distance behind the bumper at no cost to you.

The repair will take approximately 30 minutes or less. However, depending upon the dealer's work schedule, it may be necessary to make the vehicle available for a longer period of time.

What should you do?

This is an important Safety Recall

If you are in Florida, Georgia, Alabama, South Carolina, or North Carolina, contact your local Toyota dealer to schedule an appointment to have this important remedy performed on your vehicle as soon as possible.

If you are outside the above five states, or require further assistance, you may contact the SET Customer Assistance Center toll free at 1-866-405-4226, Monday through Friday, 8:30am to 5:00pm, Eastern Standard Time.
