IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE:

September 18, 2015

VIN: 1FVACXC[REDACTED], Turtle Top Body Number: 106480

RE: Turtle Top Vehicle Recall 15V-526
ASA Electronics Equipment Recall 15E-050

Dear Turtle Top Vehicle Owner and ASA Electronics Equipment Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Turtle Top has decided that a defect which relates to motor vehicle safety exists in your rear observation camera system installed in your vehicle.

! IMPORTANT !#

- Your rear observation camera system is being recalled
- Contact ASA Electronics immediately

REASON FOR THIS RECALL: ASA Electronics is recalling certain rear observation camera systems with part number VCMS140I installed in certain Turtle Top buses. Turtle Top has decided that a defect which relates to motor vehicle safety exists in the affected buses. Records indicate that you are operating one or more vehicles equipped with a rear observation camera which may be affected by this recall.

On your vehicle, it may be possible for a sensor in your rear backup camera to fail and cause the camera to reverse the image displayed on the observation monitor. Do not rely on the image displayed. If the camera displays the image in reverse, the driver may inadvertently turn the wrong direction to avoid hitting an object behind the vehicle, increasing the risk of a crash. Please utilize your mirrors when backing up your vehicle.

WHAT WILL BE DONE: ASA Electronics will replace the camera free of charge. ASA Electronics will be happy to work with your local dealer to schedule a replacement installation, or have the camera(s) shipped directly to the technician of your choosing.

WHAT YOU SHOULD DO: Affected vehicle owners need to contact ASA's Customer Relationship Center at 1-877-384-4400 to request a return authorization number to secure a free replacement VCMS140I rear observation camera. Note: Once the installation is complete and you have returned the defective product, please e-mail your labor claim form to Hannah Buckles (hbuckles@asaelectronics.com). Typical labor time per installation is 0.5 hours (30 minutes).

If you have additional questions, please contact ASA's Customer Relationship Center at [1-877-384-4400](tel:1-877-384-4400), and one of ASA's representatives will promptly assist you. Instructional sheets, as well as the labor claim form on the recall process, are also available if needed. ASA office hours are Monday through Friday: 7:00AM – 6:00PM (EST). If you wish to contact ASA through email, please send all inquiries to: recall@asaelectronics.com.

If your vehicle has already had the remedy performed prior to this recall, ASA will reimburse owners for pre-notification remedies.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If ASA fails to supply or is unable to remedy this condition without charge or within reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

The National Highway Traffic Safety Administration (NHTSA) has been informed of this recall notice and has assigned NHTSA campaign ID number 15V-526 to this campaign for Turtle Top and campaign number 15E-050 for ASA Electronics.

We regret any inconvenience which this action may cause you; however, Turtle Top and ASA are concerned about you and your passengers' safety. Thank you for your attention to this important matter.

Sincerely,

Janet L. Kercher-Dudley
Turtle Top Sr. Standards Engineer
