

IMPORTANT SAFETY RECALL

R47 / NHTSA 15V-534

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxx).

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

FCA has decided that certain **2014 through 2015 model year RAM Quad Cab Pickup trucks** fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No.226 – Ejection Mitigation.

The problem is... **The right and left Side Airbag Inflatable Curtains (SABIC) may not deploy as intended. An improperly deployed SABIC, during certain crash events, could allow additional injuries to rear seat occupants.**

What your dealer will do... **FCA will repair your vehicle free of charge.** A foil patch will be installed on both sides of the headliner. Your dealer will also inspect the right and left Side Airbag Inflatable Curtains for proper orientation. In a small number of cases, one or both of the Side Airbag Inflatable Curtains may need to be replaced. The work will take about 2 hours to complete. However, additional time may be necessary depending on service schedules.

What you must do to ensure your safety... Simply **contact your Chrysler, Jeep, Dodge or RAM dealer** right away to schedule a service appointment. Ask the dealer to hold the parts for your vehicle or to order them before your appointment. **Please bring this letter with you to your dealer.**
