****IMPORTANT SAFETY RECALL****

*This notice applies to your Recreational Vehicle
Serial # 59CCC1 [REDACTED]*

August 28, 2015

Attention: [REDACTED]

Due to an incorrect Tire and Loading Information label being placed on your recreational vehicle, Riverside RV is issuing a recall notice for the affected units. Below you will find the details of the defect information:

Model: Retro Travel Trailers with Coker White Wall Tires installed

Manufactured Dates: May 1, 2015 thru July 31, 2015

Defect: Federal Certification Label includes incorrect information for the tires PSI.

Enclosed you will find a new Tire and Loading Information Label to replace the one currently on your RV. The Tire and Loading information labels can be located on the hitch end, opposite door side of your RV. After replacing the label please sign and return the enclosed letter stating that you have, in fact, changed the label on your recreational vehicle. For your convenience we have included a postage paid return envelope.

Thank you,

Mervin Lehman
General Manager
